WHERE THE 16TH & 21ST CENTURIES COLLIDE

Riddle's Court is a picturesque Category A-listed merchant's tenement. Each room reveals a different chapter of its 500-year history, from a painted ceiling installed for a royal banquet to one created for students to dine under. It is a building as beautiful as it is intriguing and one whose story is intimately connected with that of Edinburgh Old Town.

When you book your special events and experiences at Riddle's Court, all profit generated goes back into our charitable mission of restoring and regenerating Scotland's historic buildings.

"We had our December 2023 Christmas party at Riddles Court. We had an AMZING time. We were able to book the whole venue which suited us best as we had a dinner upstairs and drinks and activities downstairs which split the evening up nicely. On the night the staff were VERY attentive and fun. We couldn't have asked for a better time. The venue is very historical and unique plus centrally located which made it super easy to get to and impressed our visiting employees."
